## EDUCATION

**Master of Architecture, University of Oregon**

**Bachelor of Arts in Environmental Studies, Brown University**

## ACADEMIC POSITIONS

### University of Oregon

Professor, Department of Architecture, 2016-  
 Director, University of Oregon Portland Architecture Program, 2017-  
 Core Faculty Member, Environmental Studies Program, 2009-  
 Director, Graduate Certificate Program in Ecological Design, 2008-

Interim Dean, School of Architecture and Allied Arts, 2015-2016  
 Acting Dean, School of Architecture and Allied Arts, 2014-2015  
 Associate Dean for Academic Affairs, School of Architecture and Allied Arts, 2012-2014  
 Associate Department Head for Curriculum, Department of Architecture, 2009-2012  
 Associate Professor, Department of Architecture, 2009-2016  
 Assistant Professor, Department of Architecture, 2004-2009

### California Polytechnic State University, San Luis Obispo

Assistant Professor, Department of Architecture, 2000-2004  
 Adjunct Instructor, Department of Architecture, 2000

## PUBLICATIONS

### PEER REVIEWED BOOKS

Muller, Brook, *Ecology and the Architectural Imagination*. London: Routledge Press, 2014

### PEER REVIEWED CHAPTERS IN BOOKS

Muller, Brook, "An Inside is an Inclusion of an Outside: Furnishing Hydrological Architectures," in Festschrift Celebrating the Legacy of Professor G.Z. Brown (forthcoming)

Muller, Brook, "Metaphor, Environmental Receptivity and Architectural Design," in Gary Backhaus and John Murungi, eds., *Symbolic Landscapes*. New York: Springer Science+Business Media, 2009

### PEER REVIEWED ARTICLES

Cerra, Josh, Brook Muller, and Robert Young, "A Transformative Outlook on the Twenty-First Century City: Patrick Geddes' Outlook Tower Revisited," *Journal of Landscape and Urban Planning Special Issue on the Work and Influence of Sir Patrick Geddes* (forthcoming)

Muller, Brook, "A Machine is a Watershed for Living In (Reconstituting Architectural Horizons)," *The Pluralist: Official Journal of the Society for the Advancement of American Philosophy*, Volume 2, No. 1, 2016

**Continuity of Singularities: The Behnisch Legacy and the Architectural Design Studio**, University of Idaho Department of Architecture and Interior Design Lecture Series “Social Responsibility and Innovation,” Moscow, ID, March 26, 2007

**Between Wilderness and Site: Ecological Restoration and Infill Development in the Contemporary City**, Lewis and Clark College 9<sup>th</sup> Annual Symposium on Environmental Affairs, Portland, OR, October 3, 2006

**Building Unique Communities with Context Sensitive Design**, Great Valley Center Annual Sacramento Valley Forum: Solving the Growth Puzzle, Chico, CA, October 27, 2005

**The Language and Landscape of Green Architecture**, Build a Better Bend Lecture Series, Bend, OR, October 11, 2005

**The Greening of Lawrence Hall**, 4<sup>th</sup> Annual University of California System Sustainability Conference, Santa Cruz, CA, June 21, 2005

**Design of Competitions**, Hearst Lecture Series Symposium: Re-Enchantment of Drawing, California Polytechnic State University, San Luis Obispo, October, 2000

**Ecologically Oriented Development in the Great Central Valley**, California Chapter of the American Planning Association Annual Conference, Bakersfield, CA, October 17, 1999

#### INVITED PRESENTATIONS AT ARCHITECTURAL FIRMS

**Pyatok Architecture and Urban Design**, Oakland, CA, July 21, 2016

**Hacker Architects**, Portland, OR, July 30, 2015

**Pivot Architecture**, Eugene, OR, October 20, 2014

#### PRESENTATIONS AND RELATED CONTRIBUTIONS TO THE UNIVERSITY OF OREGON COMMUNITY

**Invited Speaker, "The Inside is an Inclusion of an Outside: Furnishing Hydrological Architectures,"** Transforming Architecture: 'Festschrift' in Honor of Professor of Architecture "Charlie" G.Z. Brown, May 14, 2016

**Invited Speaker, "Ecology and the Architectural Imagination,"** Osher Lifelong Learning Institute – University of Oregon Central Oregon, Deschutes Public Library, Bend, OR, September 11, 2015

**Invited Speaker, "Cities are More than Rock Outcrops (Urban Architectures of Ecological Intensification),"** University-Wide Symposium on Animal Vulnerability, June 7, 2014

**Adaptive Architectures and Urban Wetland Ecologies**, University of Oregon Third Annual Climate Change Research Symposium, April 16, 2014

**Invited Keynote Speaker, "Ecology and the Architectural Imagination,"** Holistic Options for Planet Earth Sustainability (HOPES) Conference, School of Architecture & Allied Arts, April 2, 2014

**Invited Panel Participant, "Our Complicated Relationship with the Technology of Sustainability,"** Holistic Options for Planet Earth Sustainability (HOPES) Conference, School of Architecture & Allied Arts, April 2014

**Invited Lecture, Developing Conservation, "Seeking Sustainable Solutions,"** Environmental Studies Program and the Environment and Natural Resources Law Program Fireside Conversation on Global Warming, October 16, 2008

**Invited Panel Participant, "Diversity in Ecological Design,"** Holistic Options for Planet Earth Sustainability (HOPES) Conference, School of Architecture & Allied Arts, April 2008

**Invited Juror, "Phoenix Landfill Reclamation and Eco-Industrial Park"** design charrette for student organized Holistic Options for Planet Earth Sustainability (HOPES) Conference Charrette, School of Architecture & Allied Arts, April 2000

**Invited Juror, "Eugene Railroad Yard Design Competition"** design charrette for student organized Holistic Options for Planet Earth Sustainability (HOPES) Conference Charrette, School of Architecture & Allied Arts, April 2005

#### GRANTS

**United States Embassy in Egypt Public Affairs Section Small Grants Program**

\$15,500 for "Training and Research on Integrated Solutions to Rising Groundwater in Historic Settings," with Megawra/Built Environment Collective (NGO) under the supervision of the Egyptian Ministry of Antiquities and the Cairo Governorate (2016-)

**Ford Foundation/Institute of International Education Global Travel and Learning Fund**

\$4,000 for participation in the "Urban Innovations - Reinventing Housing Spaces Near Industry" competition and workshop sponsored by Cairo University and the American University in Cairo (2015)

**University of Oregon School of Architecture and Allied Arts Summer Research Grant**

\$4,000 for manuscript development of book project "Ecology and the Architectural Imagination" (2011)

**Meyer Fund for a Sustainable Environment**

\$30,996 for proposal for development of a "Masters Program in Sustainable Systems Design and Management," with Tom Osdoba, Director of the Center for Sustainable Business Practices (2010-2011)

**Portland, Oregon Metropolitan Services "Nature In Neighborhoods" Program**

\$31,400 for development of guidelines, category descriptions, briefs and summary descriptions for "Integrating Habitats" international design competition, with Josh Cerra, professional ecologist (competition results are featured in *Metropolis Magazine*, May 2008) (2006–2008)  
<http://www.oregonmetro.gov/index.cfm/go/by.web/id=21627>

**University of Oregon School of Architecture and Allied Arts John Yeon Center for Architectural Studies Faculty Grant**

\$4,500 for "Eugene Alleyscapes Morphological Assessment: Envisioning the Role of Alley Infill Development in the City's Compact Growth Strategy," with Professor Michael Fifield (2006)

**Eugene Water and Electric Board Partners in Education Program Grant**

\$2,485 for design of "Solar Information Kiosk in the University of Oregon's Recreation Center," with Ecological Design Center student organization (2005-2006)

**Cal Poly/Bank of America Community Development Grant**

\$2,000 in architectural design studio support for "Designing Housing Solutions for Higher Density in San Luis Obispo" (2003)

**State Faculty Support Grant Summer Fellowship**

\$4,000 for "Case Study Documentation of Green Buildings in New South Wales" (2001)

**California Polytechnic State University, San Luis Obispo College of Architecture and Environmental Design Professional Development Funds**

\$1,000 for travel to participate in Glenn Murcutt/University of Newcastle Master Class in Architectural Design, Australia (2001)

**California Integrated Waste Management Grant**

\$46,000 for the development of "Green Building Guidelines for Santa Barbara County" publication, with The Sustainability Project non-profit organization (2000)

**TEACHING, SERVICE AND RESEARCH AWARDS****Oregon Campus Compact Judith Ramaley Faculty Award for Civic Engagement in Sustainability (2009)**

Recipient of award that recognizes "powerful community/university partnerships that are having measurable impact on the livability of communities across the state"

**Oregon Community Foundation Van Evera Bailey Faculty Award for Research and Studio Education (2008)**

\$20,000 for proposal, "Architecture as Support for Functioning Urban Ecologies"

**Invited Scholar-in-Residence, Frank Lloyd Wright Foundation (2007)**

Taliesin East and Frank Lloyd Wright School of Architecture, Spring Green, WI

**American Institute of Architects Committee on the Environment National Honor Award**

(2005)

College of Architecture and Environmental Design Sustainable Environments Program, California Polytechnic State University, San Luis Obispo (Program Director, 2002–2004)

**Wesley Ward Outstanding Teaching Award (2002)**

College of Architecture and Environmental Design, California Polytechnic State University, San Luis Obispo

**American Collegiate Schools of Architecture Annual Conference Service Award (2002)**

West Regional Conference Co-Chair

**PROFESSIONAL AND CREATIVE PRACTICE****BLACKBIRD ARCHITECTS**, Santa Barbara, CA, 1996-2000

Associate in office active in educational, institutional, commercial and residential projects

**Ecotarium/New England Science Center**, Worcester, MA

Project leader for master plan and expansion of environmental sciences museum (with Michael Singer) (1997-1999)

**Van Atta Design Studios**, Santa Barbara, CA

Project leader for downtown office building (1997-1998)

**Great Central Valley “Housing the Next Ten Million” International Design Competition**

Project leader for “green” housing/neighborhood design competition sponsored by the American Institute of Architects, Great Valley Center and The Farmland Trust (1999)

**[Re]Visioning Isla Vista Masterplan Competition**, Goleta, CA

Design team member for competition entry, sponsored by Santa Barbara County (2000)

**AES Cogeneration Facility**, Londonderry, NH

Architectural design team leader for 720 MW gas power plant (with Michael Singer) (1999-2000)

**Urban Ecology Center**, Santa Barbara, CA

Team member for conceptual design for downtown recycling center and materials transfer station (with Michael Singer) (1999)

**South Coast Watershed Resource Center**, Santa Barbara, CA

Project designer for Center to promote awareness of regional watershed resources (1999)

**Chicago Canal Origins Park**, Chicago, IL,

Design team member for park commemorating the significance of the canal in the development of the City of Chicago (with Michael Singer) (1998-1999)

**Smith Residence**, Boise, ID, Project designer (2000-2001)**Dutton Residence**, Wilmot, NH, Project designer (1999)**Brown Residence**, Santa Barbara, CA, Project designer (1999)**COLLABORATION WITH MICHAEL SINGER**, Artist, Wilmington, VT, 1996-2009

Collaborator with internationally recognized environmental artist

**Center for Environmental Learning and Enterprise**, Phoenix, AZ,

Design team member for “eco-industrial” park master plan near downtown Phoenix (2000–2004)

**National Institute for Nature Research**, Wageningen, The Netherlands

Design team member for art installations in atria spaces of research facility (1996)

**GOSENS BACHMAN ARCHITECTS**, Montpelier, VT, 1996-1997

**Krauth Residence**, Middlesex, VT, Design team member (1997)

**Little Bighorn Monument Competition**, Design team member (1996)

**Harwood Union School**, Duxbury, VT, Design team member (1996)

**BEHNISCH & PARTNER ARCHITECTS**, Stuttgart, Germany, 1993-1996

Associate in office active in public and commercial projects and international competitions

**National Institute for Forestry and Nature Research**, Wageningen, The Netherlands

Co-project leader for \$30 million, 120,000 SF European Union pilot project for environmentally friendly building (the project is featured in: *Architectural Record*, January 2000; *New York Times*, February 17 2000; *Landscape Architecture*, December 2000; *Architectural Review*, January 2001) (1993-1996)

**Technical University Dresden Master Plan Design Competition**

Design team member for master plan and design of Chemistry Department Faculty (1995)

**International Garden Exhibition Dresden 2003 Competition**, Project leader (1995)

**Technical University Chemnitz Campus Master Plan Competition**, Project leader (1994)

**Stuttgart Wohnbebauung Bollwerk Apartment Complex**, Project leader (1994)

#### **OTHER PROFESSIONAL EXPERIENCE**

**The Burley Partnership Architects**, Waitsfield, VT, Intern (1989)

**National Trust for Historic Preservation**, Shelburne, VT

Intern and co-author of *Shelburne Village Development Plan* (1987)

**Saunders Passive Solar Engineering & Design**, Weston, MA, Assistant (1986)

**Rhode Island Department of Environmental Management**, Providence, RI, Intern (1986)

#### **DESIGN AWARDS**

**Trophee Sommet de la Terra et Batiment, Paris** (2002)

National Institute for Nature Research, Wageningen, The Netherlands  
Co-Project Design Team Leader with Behnisch & Partner Architects

**American Institute of Architects Santa Barbara Chapter Honor Award** (2002)

Ecotarium/New England Science Center, Worcester, MA  
Project Design Team Leader with Blackbird Architects and Michael Singer

**Southern California Edison "Savings By Design" Award** (2002)

South Coast Watershed Resource Center, Santa Barbara, CA  
Project Designer with Blackbird Architects

**Honor Award (first place), [Re]Visioning Isla Vista Masterplan Design Competition** (2000)

Design Team Member with Blackbird Architects

**American Institute of Architects/Boston Society of Architects National Honor Award for Sustainable Design** (1999)

Van Atta Design Studios, Santa Barbara, CA  
Project Design Team Leader with Blackbird Architects

**Honor Award (first place), Great Central Valley "Housing the Next Ten Million" International Design Competition** (1999)

Project Design Team Leader with Blackbird Architects

**2<sup>nd</sup> Prize, Technical University Dresden Master Plan International Design Competition (1995)**  
Design Team Member with Behnisch & Partner Architects

**1<sup>st</sup> Prize, Dutch Institute for Nature Research Design Competition (1993)**  
Co-Project Design Team Leader with Behnisch & Partner Architects

## TEACHING – UNIVERSITY OF OREGON

### ARCHITECTURE DEPARTMENT DESIGN STUDIO INSTRUCTION AND COORDINATION

#### **Intermediate Architectural Design**, winter 2017

“Hydro-Logical Architectures for the Urban Watershed,” mixed-use development project in Portland, OR, involving participation of Hyphae Design Laboratory (water consultants)  
Selected in a competitive process as one of 12 projects in the US to participate in arch2030.org’s Curriculum Project highlighting cutting edge approaches to sustainable design in a context of climate change

#### **Intermediate Architectural Design**, winter 2014

“A Machine is a Wetland for Parking In” project that combines a parking garage, stormwater harvesting and cleansing, and constructed wetlands in Portland, OR, involving participation of Josh Cerra and Mark Wilson (ecological consultants) and TriMet  
(Carolyn Lieberman, Samuel Ridge and Cody Tucker were recipients of the Techmer Award for Sustainable Design, the Agnes Bourne Award, and the Leadership Award for their studio design project entry in the 2014 US Royal Society of Arts (RSA) “*Multi-Modal, Multi-Nodal Sustainable City*” Student Design Competition sponsored by Grimshaw Architects; Cody Tucker was also awarded the Portfolio Award and an Internship with Grimshaw Architects)

#### **Comprehensive Architectural Design**, winter 2013 and spring 2013

“Eugene Water and Electric Board” urban redevelopment in downtown Eugene, OR in collaboration with Leonard Yui

#### **Comprehensive Architectural Design**, winter 2012 and spring 2012

“Booth-Kelly” site redevelopment in Springfield, OR, as part of the University of Oregon’s Sustainable Cities Year and involving participation of Tom Osdoba (sustainable business development consultant); supported by architecture department studio enrichment fund (\$5,000)

#### **Intermediate Architectural Design**, fall 2010

“EcoDistrict at Lents” urban redevelopment in Portland, OR, involving participation of Josh Cerra (ecological consultant), (Portland) Metropolitan Services, the Portland Sustainability Institute and the Center for Sustainable Business Practices at the University of Oregon

#### **Intermediate Architectural Design**, fall 2009 and winter 2010

“Gresham Crossing Mixed-Use Development: Transit Oriented Development Meets Nature in Neighborhoods” project in Gresham, OR, as part of the University of Oregon’s Sustainable Cities Year and involving participation of Josh Cerra (ecological consultant) and Metro

#### **Director, 2009 University of Oregon Rome Summer Architecture Program**

Instructor for 8-week intensive design studio focusing on architecture and urban waters, with linked course in contemporary architectural theory and media

#### **Comprehensive Architectural Design**, winter and spring 2009

“Metro Studio at the Milwaukie, OR, Riverfront” mixed-use project involving participation of Josh Cerra (ecological consultant) and Metro “Nature in Neighborhoods” Program; supported by OPSIS Architecture Fund for Innovation in Education (\$5,000)

#### **Comprehensive Architectural Design**, winter, spring 2008

“Center of Urban Ecology” project in Eugene, OR involving participation of Josh Cerra (ecological consultant)

#### **Intermediate Architectural Design**, winter 2006, winter 2007 and fall 2009

Development of architectural design studio model aligning architecture and landscape ecology and involving the participation of Josh Cerra (ecological consultant) (Anna Hook, Master of Landscape Architecture candidate, and Heather Rusch, Master of Architecture candidate, won a National Honor Award in Student Collaboration from the American Society of Landscape Architects for their winter 2007 studio project)

**Coordinator and Instructor, Architectural Design I**, fall 2006, 2007

Development of curricular model to align the architectural design studio with lecture course in building construction

**Coordinator and Instructor, Architectural Design II**, spring 2006

**Architectural Design I**, fall 2005

**Introduction to Architectural Design I and II**, winter and spring 2005

#### **OTHER ARCHITECTURE DEPARTMENT COURSES**

**Architectural Contexts: Place and Culture** lecture course, spring 2008, 2009, 2010, 2012 and 2014 (with Professors Howard Davis and Peter Keyes)

**History of Sustainable Architecture** seminar, fall 2013

Instructor for course involving PhD candidates, Master of Architecture candidates and ten architects from the Shanghai-based Xian Dai Architectural Design Group

**Ecology and the Architectural Imagination** seminar, fall 2008, spring 2009 and fall 2011

**Rethinking Architecture** seminar, winter 2010

**Sustainable Architecture: Theoretical Undercurrents** seminar, spring 2005-2007 and fall 2007

**Theoretical Undercurrents in Contemporary Architecture** graduate seminar, fall 2006

**Media for Design Development** pilot course in "green" media, fall 2005

**Center for the Advancement of Sustainable Living "Introduction to Sustainable Living"** seminar, spring 2005

#### **TEACHING WITHIN THE SCHOOL OF ARCHITECTURE AND ALLIED ARTS**

**AAA 321 "Inclusive Urbanism"**

Proposal coauthor and co-instructor for course focusing on issues of equity, inclusion and urban space (the course fulfills a university gen ed and multicultural undergraduate requirement); winter 2016

**AAA 407 "Visiting Lecturers Seminar"**

Primary instructor for interdisciplinary course, spring 2014

**AAA 620 "Urban Ecological Design"** seminar for the Oregon Leadership in Sustainability Graduate Certificate Program, fall 2011

**AAA 408/508 "HOPES Charrette," "HOPES Conference," and "HOPES Coordination"**

Primary instructor for courses related to the annual Holistic Options for Planet Earth Sustainability (HOPES) Conference organized by the Ecological Design Center (EDC) student organization, spring 2005-2008

#### **THESIS AND INDEPENDENT STUDY ADVISING**
