2016 Summer Architecture Academy Supply List

The following list of supplies will be needed for studio and media work during the academy session. If you already have any of these supplies, you are encouraged to bring them or any additional supplies from home you think might be useful. Otherwise we recommend that you purchase them once you get here from the Duckstore—you’ll receive a coupon for 15% off to use throughout the term on the first day. Time is planned on the first day to visit the Duckstore to obtain all necessary supplies. Be prepared to spend more on materials during the course of the academy for models, etc.

Essential

T-Square, 36"(min)- 42" (or Mayline if you own one)
Adjustable Triangle, 8"-10"
Cork-Backed Steel Ruler, 18" (this will be used as a cutting edge so it must be metal)
Architectural Scale, 12" (Will have divisions of 1/8", 1/4", 1/2", 1", etc.)

Sketchbook
12" – 18" Trace Paper Roll

Sketching Pencils: HB, 2B, & 4B
Set of disposable technical pens (.1, .3 and .5mm; black ink only)
Three Copic Markers: buy a small gradient of greys
  Warm, neutral or cool options
  Buy a light grey, medium grey, and dark grey
  Stick to odd or even numbers (ex: 3/5/7 or 2/4/6)
Colored Pencils (Lyra is a good brand) – buy as you work through your project
  What colors do you need to help explain your design intent?
Pencil Sharpener

#1 X-acto knife with extra #11 blades
Olfa Knife, L-1
Cutting Mat, 18"

MARS Plastic Eraser

Drafting tape or drafting dors
Quick Dry Tacky Glue, 4 oz

36x24" Borco Drafting Board Cover
Padlock to lock up all your equipment

Optional Add-Ons

Toolbox or Tacklebox for supplies
Drafting Brush
Small binder Clips (good for hanging drawings & marking your scale bar)
Erasing shield
Scissors
25’ Tape Measurer

Additional papers, cardboards and model building supplies will be assigned on an as needed basis.
