Requirements for the Housing Specialization

Total Minimum Credits: 16

The specialization is available to students in the M.Arch. and M.S. degree programs in the Department of Architecture. 16 credits of approved housing-related courses and studios are required, as follows:

Required Course: (4 credits)

One approved Housing Studio (either ARCH 584 or ARCH 585) is required and which will count as four (4) credits towards the 16 credits required.

_______ ARCH 584 (4 credits) or
_______ ARCH 585 (4 credits)

Required Additional Courses: (12 credits)

One course from either of two primary courses taught in alternating fall terms in Eugene:

_______ ARCH 510 Housing Design (3 credits) or
_______ ARCH 538 Housing Prototypes (3 credits)

One additional course from the following list of regularly taught courses:

_______ ARCH 538 Housing Prototypes (3 credits)
_______ ARCH 510 Housing Design (3 credits)
_______ ARCH 531 Community Design (3 credits)
_______ ARCH 539 Minimal Dwelling (3 credits)
_______ ARCH 576 Residential Construction (4 credits)

The remainder of the 16 credits may come from either the list above or from other individually approved courses. A maximum of two credit hours may come from independent research credit.

To Graduate with the Specialization:

1. To declare the specialization, please read the graduate school process.
2. Complete and submit this Requirements for Specialization form, record the term/year and grade received for the courses taken.
3. Complete and submit the Declaration of Specialization form on the Graduate School Website (see the “Concurrent Degree, Graduate Certification, and Specialization Forms” section at the bottom of the page). Turn the form into the main office front desk for approval.
4. No later than Friday of Week 2 in the term of graduation, the student must apply for graduation online and be sure to indicate the graduate specialization he/she also plans to receive.
