(These courses are taught regularly as part of the urban architecture specialization in Portland. In the case that one or more of these course is not taught for more than 2 years, additional courses below can substitute.)

Required Additional Courses: (3 credits)

One additional course selected from the following list is required:

- ARCH 507 Urban Real Estate Development (3 credits)
- ARCH 510 Housing Design (3 credits)
- ARCH 536 or ARCH 537 Theory and History of Urban Design (one course from this 2-course pair.) (3 credits)
- ARCH 538 Housing Prototypes (3 credits)
- ARCH 507 (Digital Urban Architecture Methods (in preparation)

Portland based students or students transferring into Portland from Eugene will be able to fulfill this specialization. Occasionally, based on course offerings, students based soley in Eugene will also be able to complete this specialization.

In addition, special or occasional courses offered by the Department of Architecture and which the Graduate Studies Committee and Department Head approve for this specialization or as a “Required additional course” can include research or practicum courses.

To Graduate with the Specialization:

1. To declare the specialization, please read the [graduate school process](#).
2. Complete and submit this Requirements for Specialization form, record the term/year and grade received for the courses taken.
3. Complete and submit the Declaration of Specialization form on the [Graduate School Website](#) (see the “Concurrent Degree, Graduate Certification, and Specialization Forms” section at the bottom of the page). Turn the form into the main office front desk for approval.
4. No later than Friday of Week 2 in the term of graduation, the student must apply for graduation online and be sure to indicate the graduate specialization he/she also plans to receive.
